

Instalare drivere HP LaserJet 9000mfp –Windows Xp

Pentru instalarea multifunctionalei **HP LaserJet 9000mfp**, veti avea nevoie de driverele specifice versiunii de Windows Xp pe care o aveti instalata: 32-bit/86-bit.

Pe Cd-ul primit din partea EcoCart Holding SRL, veti putea gasi driverele necesare instalarii.

Mai jos aveti un exemplu de instalare :

1. Mergeti in Start->Printers and Faxes;
